The Meeting was brought to order at 10:02AM

The previous collaborative meeting minutes were discussed and reviewed.

The past or ongoing Initiatives were discussed:

- General
 - Board Nominations: The Collaborative will nominate all potential board members. This will be done through the Board Nomination Forms. Individual collaborative members can nominate who they feel would be a fitting representation for collaborative leadership.
 - DBA Camden Family Connection: Part of aligning the collaborative structure.
 - Party-Putt Miniature Golf: In partnership with the PSA, CFC will be helping to operate the miniature golf course. This will follow the model the Jekyll Island Authority has for their miniature golf course. This project is still in the planning process.
 - End of Year Review:
 - Teen Maze Review/Planning Focus Team: Tony Bell, Lena Brathwaite-Bell, Bridget Wenum, Stephanie Brown, Tonya Harvey, Mary-Gail Lindsey, Shuntay Strachan. The team will look at modifications that are needed to make this event relevant to the new population of students.
- Alcohol Prevention Project:
 - CCAT Welcoming Meeting: Adding suicide and mental health to grant

Upcoming and Other Initiatives:

- Tobacco Prevention Coastal Health District: Trying to make it more youth oriented
- Data Walk: This is the first part of the Camden 20/20 process. Data Walk will be March 3, 2016 from 9am-12pm. Lunch provided

Collaborative Partner Updates:

- GCN: Will have a training on January 12, 2016 with a local funding panel. Look at the January Table Talk for more information.

- Aglogic Chemical: New employer, accepting applications. Contact Stephanie Brown with CWIB for more information.
- YELP: Taking applications February 2, 2016 from 5:30-7:30 at the College of Coastal Georgia. Contact Lena Brathwaite-Bell with IPE for more information.
